

Detailed view – how can I display tables? How do I find the first line and last row?

By clicking on a particular news item/ a picture/ a graphic in the results list it is opened and displayed in full. The document will generally be shown in Standard View.

The screenshot shows the dpa•platform interface. At the top, there is a navigation bar with links like 'dpa Today', 'My Home Page', 'My Searches', 'My Folders', 'Settings', 'Extras', and 'Help'. Below this is a search bar with 'Search in news products' and 'Search in Events' tabs. The main content area is titled 'Detailed View' and shows a news item. A red dashed box highlights the 'Standard View' dropdown menu. The news item is titled 'BACKGROUND: Jerusalem's Church of the Holy Sepulchre' and includes a detailed description of the site's history and significance. A 'Text Information' sidebar on the right provides metadata such as keywords, product, section, priority, envelope number, word count, sign-off line, and copyright.

Alternatively you can select the *Technical View* or the *Editor's View*.
